Zach Silva was hired as Recreation Coordinator responsible for teen programs, camps, junior high sports, LAYC dances, and some City special events. He will also transition into the role of staff liaison with the Youth Commission. Zach comes to us with over seven years of municipal recreation experience with the City of Pleasanton and the Livermore Area Recreation & Park District. While in Livermore, he served as the Youth Sports and Gym Rental Coordinator, managed the café and concessions in the Community Center the commercial climbing gym. Zach has a B.S. in Recreation from Cal State Hayward with an option in Hospitality Management. In 2010, he completed a three-month internship at the Sheraton Kauai resort in the restaurant, bar and guest relations divisions. Zach's diverse work experience and his organizational and marketing skills make him an excellent addition to the Recreation Department and City.
